

## *Become a Patron*

***Sachem*** is Algonquin's very own award winning literary magazine. The magazine is staffed and run solely by Algonquin students. It is crucial to keep *Sachem* alive as a venue for students to display their creative work and a place for them to be published authors. Printing costs require the staff to look outside for donations.

### *Becoming a Patron is a simple process!*

With your generous donation, your name or your family's name will be listed in the magazine's patrons section. Every little bit helps! Simply fill out the form below and mail it with a check made out to "The Sachem" to the address below. We thank you in advance for keeping the magazine alive.
