Holliston, MA ...Today Marty Lamb, Republican candidate for State Representative in the Eighth Middlesex District, announced that Sheriff Lew Evangelidis has endorsed his candidacy.

"As a Sheriff we have to work with our legislators on county and public safety issues. The person best equipped to fight in a bi-partisan manner for the district is Marty Lamb. He will stand up for the district, fight for transparency and work to restore our economy. I am proud to endorse his candidacy," said Sheriff Evangelidis.

The Sheriff is a former State Representative who is known for fighting for both reforms and working for bipartisan solutions. During his tenure at the State House, Evangelidis supported efforts to create more transparency within the legislature and reduce state spending. He has a stellar record in opposing all tax hikes.

"I am honored to have Lew's support. Like the Worcester Telegram, his endorsement sends the clear message that I am the candidate of balance. Moreover, I am the candidate best equipped to help turnaround the economy and grow jobs," said Lamb.

Over the past several weeks Lamb has been receiving key endorsements including the National Federation of Independent Business, New Jobs for Massachusetts, Citizens for Limited Taxation and some Democrats being brave enough to publicly cross the aisle.

Most recently state Representative Steve Levy has endorsed Lamb. Levy is a first term State Representative who has worked to improve our state's economy and require fiscal accountability. He has also advocated and supported measures to create more transparency within the State House. Levy's voting record includes opposing the bundling of amendments, requiring bills to be in print for 24 hours before a vote, and listing committee votes online.

"I am honored to have Steve's support. Together we will be able to work in the best interest of Westborough, fight for fiscal and small business reforms and work to establish transparency at the State House," said Lamb.

Mr. Lamb, a Massachusetts native, graduated from the Benjamin N. Cardozo School of Law at Yeshiva University in 1985 and received his Bachelor of Arts from Hampshire College in 1982.

He has an extensive background in real estate law, formerly with Adelson, Golden & Loria, P.C., Edward A. Sokoloff & Associates and Lamb and Browne, P.C., is currently with Lamb and Associates, P.C.
