

# Breakfast Club

*Learning About Wildlife*

**Friday, November 8th, 2013**

**Time: 10:00am**

*Pam Landry, Education Coordinator from Mass Wildlife in West Boylston will conduct a presentation to extend your learning about local wildlife by exploring skulls, pelts, feathers, scat, tracks, and more. Work in small groups as you challenge yourself to identifying local wildlife using your keen observation skills.*

**Suggested Donation:**

***\$6.00 for Friends Members    \$10.00 for Non-Friends Members***

*Enjoy a wonderful breakfast prior to the presentation*
