

Pollack Law Group, P.C., Donates Nearly 60 Coats to ‘Keep a Family Warm’

HOPKINTON, MASS. (Dec. 23, 2013) – Dozens of local children and adults will be a little warmer this winter thanks to a coat drive sponsored by the Pollack Law Group, P.C., where employees collected nearly 60 “gently-used” coats and jackets for the Keep a Family Warm program sponsored by Project Just Because.

“No one should be left out in the cold this winter,” said Attorney Irwin M. Pollack, founder of the Pollack Law Group, P.C., at 304 Turnpike Road, Southborough. “We’re proud to be able to help Project Just Because in its efforts to help keep families warm.”

Pollack Law Group P.C., the parent company of the Massachusetts Family Law Group, Patriot Law Group and other affiliated brands, recently moved its corporate headquarters to Southborough and wanted to launch a public service project as a way of getting involved in the local community, Pollack explained.

“We knew many companies were holding food and gift drives for the holidays, so we wanted a project that would focus on other needs,” said Associate Attorney Irena W. Inman, who came up with the idea for the coat drive among the firm’s attorneys and other employees. Inman also spearheaded the effort that resulted in the collection of 57 winter coats, jackets and vests for men, women and children.

A bone-chilling wind was blowing and snowflakes were swirling when Inman and Managing Attorney David L. Callahan delivered a half-dozen large bags stuffed with coats to Project Just Because in Hopkinton earlier last week.

Karen Regan, operations manager for the agency, was thrilled to receive the donation, noting that the agency ran out of its supply of warm coats weeks ago. “Without a doubt, there’s a large need,” she said. “... These coats are all going to be gone in no time.”

Regan said she also was grateful to Pollack Law Group, P.C., for helping the organization, which relies on donations from individuals and companies to help individuals and families throughout the Metro West region. “There are definitely a lot of families that need our help,” she said. “We never have enough.”

Pollack said he’s glad his firm could help the agency keep families warm this winter. “Much of our practice concentrates on family law, so we know that many families are struggling. We’re happy to help, and we want families in the community to know that Pollack Law Group, P.C., has their backs.”
