Cards will arrive in time for Father's Day and End of Year Teacher Gifts!

Families order gift cards through SOS, pay face value and receives the gift cards within 10 days. Families use the gift cards at their full face value!!!

Now to the part where the schools benefit:

SOS is able to purchase the gift cards at a discount and keeps the difference or rebate, and that's where the fundraising comes from. It's really that simple! Please fill out the form below to place your order.

Deadline to order is end of school day: June 2, 2014

Before the deadline, send this order form and your check (made payable to SOS) to school with your child in an envelope labeled "SOS gift card program". The Gift Card orders will be processed and the cards will be delivered to each school to go home in your child's backpack within 10 days of the deadline.
