

SOUTHBOROUGH HERITAGE DAY CELEBRATION 2014

Heritage Day Vendor Information Monday, October 13, 2014

Thank you for being a part of Southborough's Heritage Day Celebration. Below is an outline for the set up and breakdown for the day:

- Check-in starts at 7:30am – **Your exact location will be given to you at that time.** Most locations remain the same as last year but all vendors must check in.
- Entrance to the field is at the corner of Rt. 85 and Rt. 30 (at the light).
- All vehicles need to be off the field by 9:20am – Vehicle exit is at the corner near the fire station on Rt. 30, please refer to map. No vehicles may be left on the field.
- Vendors open at 9:30am and break down begins at 3:30pm (again please use the same entrance/exit noted above and on attached map).
- Only space is provided, approximately 10 x 10. Please bring your own tables/chairs/tents/trash barrel/generators etc.
- Generators should be located at least 2 feet from the nearest vendor. If you are cooking using a generator, it is recommended that you have a suitable fire extinguisher on hand. If you have any question on the proper type of extinguisher needed, please contact the Southborough Fire Department at 508-485-3235.
- Be sure to bring all trash to the dumpster.

If you are using GPS to get to this location, please use 25 Main St, Southborough, MA 01772

We thank you in advance for following these guidelines. With everyone's cooperation we will enjoy a safe, fun-filled day for all. Feel free to call 508-229-4452 with any questions and thank you for your participation in Heritage Day.
