

WELCOME TO KINDERGARTEN

Dear Families,

We are in the process of setting up our classrooms for the new school year. We would greatly appreciate your help with providing the supplies from the list below. All items will be shared communally and should not have names written on them. If you are unable to purchase any of the items from the list, please be assured that they will be provided for your child. Your child's teacher will have a collection area for these items during Open House. Thank you!

For ALL students: It is recommended that your child carry a backpack to and from school each day for notes, papers and snack. Also, we do not recommend bags with wheels or anything hanging from bags.
