

**For students in Grades 3-6 interested in**

# Robotics

The Algonquin Regional High School Robotics Team  
FIRST Team 1100  
is hosting its annual

## *Build Your Own Robot*

Saturday December 3 from 1pm to 4pm

This year's robot will be the GECKOBOT:

Each student will learn basics about robotics by building their own robot to take home. The students will work with members of the high school team to build and test the robot and will be able to drive and/or operate various FRC, VEX and Lego robots.

Cost is \$75 per student.

Registration EXTENDED to November 18, 2016.

Space is limited.

Please contact [first.team1100@gmail.com](mailto:first.team1100@gmail.com) with any questions.
