## **REGISTRATION : SPRING 2020**

Northborough-Southborough Girls Lacrosse registration is taking place in November for the upcoming 2020 Spring season. This is open to girls in both towns in grades 1 through 8. You will sign up your child based on her grade.

***Registration is from NOVEMBER 1 - DECEMBER 15, 2019 \*\****

We strive to take every child who registers. However, limitations are purely based on field availability from the towns and the number of coaches who volunteer (head coaches need to know the sport, assistant coaches we will train... please join us!). We maintain team sizes to ensure a positive experience for all of the girls.

Additional information is available on our website: [www.nsgl.org](http://www.nsgl.org).
