### STUDENT AND PARENT COMMITMENT

My child has my permission to participate in the RAP class selected above. I understand that it is my responsibility to arrange for my child's safe and on time transportation home at the end of class. In the event that the program takes place off school property, I give my child permission to travel to and from the off-site activity in a recreation sponsored vehicle or private vehicle. I further agree to hold the Recreation Commission and the Town of Southborough together with its agents and employees jointly and severally harmless for any injury or accidents sustained during the transport. I agree not to hold responsible the Southborough Recreation Commission; the Town of Southborough; the owners of the premises where the program is held; or any of the parties connected with the program for any injury or accident that may occur during the program. I have read the student behavior policy from the website, regarding participation in any RAP program and have reviewed it with my child. In the event of an emergency, I give authorization for emergency transportation and medical treatment. I understand that I will be notified prior to transport if possible.

**Signature Parent/Guardian** \_\_\_\_\_ **Date** \_\_\_\_\_

Program Times are 3 to 4pm unless otherwise noted. Please read each program description carefully regarding pick up and transport information.

## Program Description

### **Floor Hockey** **Instructor: FAST Athletics** **Min 10/Max 20**

Come join F.A.S.T. Athletics for some street hockey fun. Fundamentals of hockey will be taught along with good sportsmanship and rules. After the instructional period is over, each day will end with a good old fashion street hockey game.

### **Dodgeball** **Instructor: Tiffany Goode** **Min 10/Max 20**

Soft foam balls are used to test your skill at outmaneuvering your opponent. Students will learn about safety, proper throwing techniques and strategies of the sport. Different dodgeball games will be taught.

### **Chess** **Instructor: Chess Wizards** **Min 10/Max 14**

Enter into the magical and exciting world of chess with Chess Wizards! You will participate in epic chess games, fun and interactive lessons, tournaments, team matches, trivia and more! Our specialized classes are a blast for everyone kindergarten through fifth. Whether you have been playing chess for your entire life and want to improve, are brand new to the game, or you just want to have a fun experience with your friends - Chess Wizards is the place for you!

### **Basketball** **Instructor: Game Time Training** **Min 10/Max 20**

Join the Game Time Training and their staff of experienced coaches for our Biddy Ballers Program. This program is focused on developing skills and fundamentals for boys and girls in the 2nd and 3rd grade. Skills emphasized will include defense, ball handling, shooting, and passing. Participants will also play "small games" -1 on 1, 2 on 2, 3 on 3, to help reinforce the skills taught. The GTT staff makes learning the game fun with interactive drills, music and ENERGY!

### **STEM** **Instructor: Stem Beginnings** **Min 8 /Max 12**

STEM Beginnings provides fun-filled experiences that encourage children's curiosity and learning. Children engage in challenges that allow them to explore Science, Technology, Engineering, and Math concepts using a variety of tools and techniques: from simple experiments and building challenges to team-based activities, art and crafts, and fun games! We offer a wide range of STEM lessons that help children learn new things, discover how things work, and create solutions to problems in a collaborative learning environment. We stimulate their minds and empower them to be life-long learners.

### **Sewing** **Instructor: Sew Studio** **Min 5/Max 15**

Sewing is fun! In this class you will learn the basics of the sewing machine (including safety!) as well as some different hand stitches. You will use your new skills to sew some creative projects including bags, stuffed animals and accessories. Each project will take about 2-3 classes to complete. Come see what you can sew! No experience necessary, beginners welcome. **This class is held at the Sew Studio in Southborough. Transportation to the studio will be provided by Southborough Recreation's van. Pick up is at 4:30 at the studio- 155 Boston Road, Southborough.**

### **Business Sharks** **Instructor: Right Brain Curriculum** **Min 7 / Max 12**

In our Business Sharks class, students play the role of young entrepreneurs as they start with the germ of an idea for a business and product and take it through the entire entrepreneurial process. Our students develop prototypes, formulate a business plan and devise a marketing strategy. Meanwhile, students learn through contextual lessons on concepts such as wages, profits and branding while designing print ads, acting out "TV commercials," researching real estate locations and designing their storefronts. The class concludes with our young executives pitching their ideas to a "Shark Tank" panel of parents. These young entrepreneurs will really be taking care of business!

### **Breakfast Foods** **Instructor: Paradise Island Kids** **Min 5/ Max 12**

Kids will learn how to make our favorite breakfast dishes like pancakes, waffles, eggs and more! Young chefs will learn valuable kitchen skills and be involved in the making of food but will observe as the chef cooks the food. All ingredients used are nut-free however, some pre-made ingredients may be processed in a facility that also processes nuts.

### **Sweet & Savory** **Instructor: Paradise Island Kids** **Min 5/Max 12**

Cold weather is the perfect time to create sweet & savory delights including mini pies, bread knots, homemade hot chocolate and cheesy after school snacks! All ingredients used are nut-free however some pre-made ingredients may be processed in a facility that also processes nuts.

### **Slime & STEM** **Instructor: Paradise Island Kids** **Min 4/ Max 20**

This jam packed class combines our favorite STEM experiments & SLIME factory concoctions. In our STEM Laboratory, we will create fun science experiments in individual and group settings. In our borax free SLIME factory, we will explore and concoct all new gooey mixtures. Through hands-on activities individually and in small groups, children will think, construct, experiment, discover, and develop curiosity and analytical thinking while finding solutions to problems in a fun filled environment. All materials included, just bring yourselves! No experience necessary.

### **Nailed it- Winter Wonderland** **Instructor: Paradise Island Kids** **Min 5/Max 12**

Kids will create Frosty the Snowman Land & their own Winter Wonderland Castle with pre-made ingredients like fondant, rice Krispy treats, and various frostings and decorations. Bring your imagination and creativity and get ready to have some confectionary fun! All ingredients used are nut-free however some pre-made ingredients may be processed in a facility that also processes nuts.

### **Soccer** **Instructor: BEST Soccer** **Min 8/ Max 20**

Join BEST Soccer's experienced, and fully licensed, coaching staff for our after school soccer programming. The program will give your child plenty of touches on the ball through fun activities to help develop their dribbling, passing, and shooting skills. Players agility, balance, and coordination will also be challenged. All practices will conclude with a coached scrimmage. Whether your child is a novice, or experienced player, BEST Soccer's after school program will provide a fun and safe environment for them to develop.
