I move to amend the main motion or amendment

by striking the words in Subsection B - The replacement of fixtures or luminaires shall be subject to the provisions of this section and comply
with guidance outlined in the Rules and Regulations for Outdoor Illumination maintained by the Planning Board. Non-conforming fixtures or luminaires
requiring replacement for any reason (including but not limited to end of life, breakdown, vandalism) shall be replaced in compliance with this Bylaw.

and by substituting the words Those existing luminaires which are not in compliance with Section 174-12.1 entitled "Outdoor Illumination"
as of its effective date, shall nevertheless be considered in compliance provided such luminaires satisfy the previous bylaw provisions as enacted by the
Town Meeting on April 11, 2005 by passage of Article 40 thereof, until the replacement of fixtures or luminaires is required as set forth herein.
Fixtures or luminaires requiring replacement, for any reason, including but not limited to end of life, breakdown, vandalism shall be replaced in compliance
with this Bylaw and further comply with the guidance outlined in the Rules and Regulations for Outdoor Illumination as promulgated by the Planning Board.

I move to amend the main motion or amendment

by striking the words _____

and by substituting the words _____

I move to amend the main motion or amendment

by adding the following words: to Subsection D - Flood Luminaire: Artificial light in a bright and broad beam, typically greater than 90° beam angle, illuminating a wider area for visibility in a short distance. These lights are typically used for landscape lighting, parking lots, architectural lighting, work lighting, and other applications that require wide light spread.

after the words: "Fixture" alphabetically and before the words "Frontlight" in Subsection D - Definitions

Please see reverse side for the second definition.

Name (printed): DONALD C. MORRIS

Signature: 

Street: 45 DEERFOOT ROAD

Date: 20 MAY 2021

Amendments

An amendment may be made to modify either the main motion or another amendment that is on the floor. The amendment must:

- Be submitted in writing
- State exactly how the voter wishes to change the motion
- Be submitted to the Town Clerk *before* rising to offer the amendment
- Not change the motion so much that it is no longer within the “four corners” of the article in the warrant

An amendment may consist of adding, deleting, or substituting words in the motion.

A motion to amend requires only a majority vote.

Town counsel may be asked to review an amendment and present an opinion on the legality of the amendment prior to the Moderator accepting the motion for consideration by town meeting.

Amendments should be carefully written and reviewed **prior to town meeting**, if possible.

Continuation

Warrant Article 35 - Amend Town Code - Zoning - Outdoor Illumination
Amend Subsection D - Definitions - To include Flood Luminaire
and Spot Luminaire

by adding the following words: to Subsection D - Spot Luminaire: Artificial light that projects
a longer, narrow beam of light, typically less than 90° beam angle, illuminating a narrow
area over a long distance. These lights are often found in gardens, above garage doors, on
police and search and rescue vehicles, or other applications where focused light is needed.

after the words: "Mounting Height" alphabetically and before "Uplight" in Subsection D - Definitions
