[Editor's Note:

- By law, the police logs omit domestic disturbances, including related arrests. (Which means police can be even busier than they appear to be.)
- Radar Assignment is generally used to summarize multiple Vehicle Stops/Citations.
- By blog policy, I strip out the names of any individuals listed as arrested.
- I edited the log format and some of the original abbreviations to make it easier for blog readers to follow. You can find the SPD's original, unedited logs on Facebook [here](#).]
